Dear Sir,

I wish to be an exchange student in Australia this summer vacation. My name is Sara. I'm a 15-year-old Chinese girl from No. 1 Junior High School and I'm in class 3. My favorite subjects are English and music because they are interesting. But I find science is very difficult to me. In fact, I'm outgoing and friendly, and I have a lot of friends in Beijing. In my free time, I enjoy listening to music and collecting stamps. I have hundreds of stamps from many countries. If I could join the project, I would learn more English and make more friends.

Yours,

Sara

Jane is going to have an interview. Too bright color is not fit for her. A white dress shirt is good and professional. She'd better wear black shoes and definitely wear a black dress belt. The last thing she should do is wearing something too fashionable unless she is applying for a lposition in a fashion company.

Mary will go to a disco party tonight with her friends. She can wear anything shiny. She can wear short skirt or hot pants. The dress will be too elegant for such kind of party and the jeans will be too ordinary. One thing important is that she should avoid the high-heel shoes. The platform shoes or boots will be her best choice.

Tina is going to attend the graduation of her daughter. It is important for her to dress elegant and ladylike. Therefore a suit or a skirt is appropriate. And color is important too. She should not dress too bright, so colors such as black, white, navy and red work nicely on almost everyone.
